## GERMANY CALLS FOR UNITY

**RESOLUTION SAYS THAT IT  
WILL FIGHT ALL AT-  
TEMPTS AT SEPARATION  
OF THE VARIOUS STATES.  
HOLLAND SAYS THAT  
WM. HOHENZOLLERN  
MUST LEAVE THAT  
COUNTRY IF HIS PRES-  
ENCE IS UNDESIRABLE,  
AND CAUSES TROUBLE.  
SIMMS MAY BECOME AD-  
MIRAL. FIFTH LIBERTY  
LOAN WILL COME OFF IN  
APRIL**

Berlin, Nov. 26.—The German  
federal conference has adopted the  
following resolutions.

There is the absolute necessity for  
all German tribes to act in unison  
for the maintenance of German unity  
and to fight all attempts at separa-  
tion.

The proposal for the summoning  
of the National Assembly has met  
with general approbation. Mention  
is made that the National Assembly  
of the Soldiers and Workmen's  
council will respect the will of the  
people. It says that the adminis-  
tration of the affairs of the empire  
is to make for peace and reconstruc-  
tion with all speed.

Dr. August Mueller Minister of  
Economy in a speech before the Na-  
tional Council inveighed against com-  
plicated government machinery and  
the possibility of an attack on wealth  
and credits which he said would  
bring disaster if resorted to.

Washington, Nov. 27.—Bernard  
M. Baruch, Chairman of the War  
Economic Board it was indicated to-  
day will be offered the position of  
Secretary of the Treasury to take  
the place of Secretary McAdoo, re-  
signed. Whether he will be nomi-  
nated is an open question. Without  
actually declining to serve, Mr. Bar-  
uch, it is said, urged the President  
strongly against presenting his  
name for the cabinet position on ac-  
count of his wealth which is largely  
made up of government and other  
securities and which might make it  
embarrassing.

Vice Admiral Simms Will be Pro-  
moted

Washington, Nov. 27.—Vice Ad-  
miral Simms, commander in chief of  
the American fleet in European wa-  
ters since the beginning of the war  
will be advanced to the Admiralty  
upon the retirement of Admiral Aus-  
tin M. Knight, commander of the  
Asiatic fleet.

Rear Admiral Gleaves, Chief of  
the Convoy service which has es-  
corted all of our transports across  
the ocean without losing a single  
ship, on the east bound voyage will  
be made Vice Admiral in the place  
of Admiral Simms, promoted.

Preparing for the Fifth Loan  
Washington, Nov. 27.—In prepa-  
ration for the Fifth Liberty Loan  
the Treasury announces the issue of  
600 millions of dollars of war cer-  
tificates payable May 6th, 1919 and  
bearing 4 1-4 per cent of interest.  
The subscriptions will run from De-  
cember 5th to Dec. 10. This indi-  
cates that the fifth Liberty Loan  
will be floated in April.

Roumania Proclaims Independence  
Paris, Nov. 27.—Roumania Tran-  
sylvania has proclaimed its inde-  
pendence and sent her ultimatum  
to the Hungarian government ask-  
ing that all political, administrative  
and judicial departments in Tran-  
sylvania over which Hungary exer-  
cises authority be relinquished.  
Hungary has refused and Roumania  
has broken off all negotiations plac-  
ing all responsibility for the conse-  
quence of the former country, ac-

cording to advices to the Matin of  
Paris.

William May Leave Holland  
London, Nov. 27.—William Hohen-  
zollern will have to leave Holland if  
his presence in that country becomes  
intolerable and a menace to the  
peace is the statement made in the  
lower house of Parliament, accord-  
ing to a despatch to the Daily Ex-  
press.

**IMPORTANT ARREST  
IS MADE ON TRAIN**  
John Poythress and Percy Conn,  
Menderson Men Captured With  
Whiskey

Raleigh, Nov. 27.—What Federal  
authorities regard as the most im-  
portant capture of whiskey and al-  
leged whiskey carriers ever perfected  
in this section of the State was at-  
tected early yesterday morning on a  
Seaboard Air Line passenger train  
near Norlina when John Poythress  
and Percy Conn, of Henderson, were  
arrested when they were found in  
possession of five suit-cases of bot-  
tled whiskey—about 75 quarts—the  
prisoners and whiskey were brought  
to Raleigh by Federal officers and  
December 9 has been set as the date  
of their hearing before Commissioner  
Fatchelor. Poythress furnished  
\$1,000 bond, but Conn was still in  
jail last night.

**VOTE FAVORS STRIKE OF  
RAILWAY TELEGRAPHERS**  
Chicago, Ill., Nov. 26.—A vote fa-  
voring a strike of railway tele-  
graphers on all the roads in the  
United States and Canada was cast  
in Chicago today by the general  
chairman and secretaries of the fifty-  
one division of the Order of Rail-  
road Telegraphers in Western and  
Middle Western States.

The Chicago meeting was represen-  
tative of 45,000 government em-  
ployees who are dissatisfied with the  
supplements to general order No. 27  
affecting wages and working condi-  
tions. It was voted to reject all  
these, and telegrams were sent to the  
meeting in other cities asking simi-  
lar action.

**SAYS MARSHALL TO BE PRES.**

New York, Nov. 27.—George W.  
Wickersham, formerly attorney gen-  
eral, in an address here before edu-  
cators, lawyers, bankers and mer-  
chants engaged in international  
trade who are members of the Coun-  
cil on Foreign Relations, advanced  
the opinion that the constitution  
makes it mandatory upon Vice Pres-  
ident Marshall to assume the office  
of President if Mr. Wilson leaves  
the United States to attend the  
peace conference.

"The projected journey of the  
President to France and his sugges-  
ted sojourn there for an indefinite  
period," said Mr. Wickersham,  
"brings up for the first time in our  
history the question of the effect of  
such absence and of the powers of  
the Vice-president because of such  
absence."

\$30,000 Budget Raised  
By the Men

AND MILLIONS MOVEMENT

The United Budget Conference, for  
Disciples both N. C. and S. C., under  
direction of the Men and Mil-  
lions Movement, was held in the  
Christian Church here yesterday, and  
was attended by a representative  
number of ministers and committe-  
men from the two States. Lunch was  
served in the Sunday school room at  
which Mr. Bert Wilson, of Cincin-  
nati, and Pres. R. A. Smith, and Sec.  
C. C. Ware of this city, made ad-  
dresses. In the main sessions of the  
Conference the following specialists  
gave addresses: Bert Wilson of Cin-  
cinnati; Herbert Smith, missionary  
to Africa; Mrs. W. M. Hurdy, mis-  
sionary to Thibet; W. G. Menzies,  
missionary to India; Miss Daisy June  
of Indianapolis; Grant K. Lewis of  
Cincinnati, and Pres. Thos. E.  
Cramblett of Bethany, W. Va. The

\$30,000 was accepted, of which A.  
C. College is to receive \$11,000.

The Disciples' State convention will  
meet at Greenville on next Tuesday,  
Dec. 3, for an all-day executive ses-  
sion. Seven representative Disciples  
from Wilson expect to attend.

**TROUBLE BETWEEN  
PERU AND CHILE**

Overcome by Apology on Part of the  
Peruvian Government.

New York, Nov. 26.—Difficulties  
between Peru and Chile, which re-  
sulted yesterday in recall of consu-  
lar representatives by each nation  
from the principal cities of its  
neighbor, have been overcome by an  
apology on the part of the Peruvian  
government, Carlos Castro Ruiz,  
consul general of Chile, announced  
here tonight.

A cablegram informing him of the  
Peruvian apology was received to-  
night by Mr. Ruiz according to his  
statement, from the Chilean foreign  
minister.

The message, the consul asserted  
authorized him to announce that  
the Peruvian officials admitted that  
in making public reports of out-  
breaks against their citizens in  
Iquique and Antofagasta, Chile,  
they had acted on misinformation.  
This was furnished, he said, by the  
Peruvian consul at Iquique, whose  
authority had been cancelled for this  
reason by the Chilean government.

The apology sent from Lima, Mr.  
Ruiz added, was wholly satisfactory  
to the Chilean officials and "brought  
the misunderstanding to an end."

The consul general stated that a  
series of messages received from  
Santiago today denied reports of  
anti-Peruvian demonstrations in  
Chile. The cablegrams further an-  
nounced, he said, that the dismissal  
of the Peruvian envoy at Iquique  
"had provoked in Peru a certain agi-  
tation that determined my govern-  
ment to authorize its consuls in Chile  
to return home if the circumstances  
justified."

Despite a border dispute between  
the two countries, Mr. Ruiz declared,  
that Chile had "the utmost sympa-  
thy" for Peru and had taken steps  
to watch the frontier so as to pre-  
vent Peruvian revolutionists from re-  
ceiving arms or ammunition from  
compatriots in Chile.

**GERMAN DOCTORS ABANDONED  
SICK U. S. PRISONERS**

Paris, Nov. 26.—(British Wireless  
Service).—Among the first Ameri-  
cans to reach the city of Metz after  
the signing of the armistice were  
Dr. E. F. Pope of the medical service  
of the American Red Cross and Cap-  
tain H. Hamilton, also of the Red  
Cross. They arrived Nov. 17, a few  
hours after the last German soldiers  
had been withdrawn and found at a  
hospital forty-five wounded Ameri-  
can soldiers. The Germans had  
taken with them all the medical  
supplies.

Dr. Pope is on his way to Mann-  
heim to investigate the condition of  
the wounded allied prisoners.

## HIGH PRAISE FOR OUR BOYS

Marshal Haig Tells 30th Di-  
vision Composed Partly of  
N. C. Boys, They

BROKE HINDENBURG LINE

With the British in Belgium, Sun-  
day, Nov. 24.—The American sec-  
ond corps, which served with the  
British fourth army during the clos-  
ing days of the war, has been re-  
warded for its work by a glowing  
letter of praise from Field Marshal  
Haig, the British commander-in-  
chief.

The Field Marshal's message to  
the command of the corps reads:

"Now that you are leaving the  
British zone, I wish again to thank  
you and all the officers, non-com-  
missioned officers and men on behalf  
of myself and all ranks of the British  
armies in France and Flanders for  
the very gallant and efficient  
service you have rendered during  
your operations with the British ar-  
my."

"On the 29th of September you  
participated with distinction in a  
great and critical attack which shat-  
tered the enemy's resistance on the  
Hindenburg line and which opened  
the road to final victory."

"The deeds of the Twenty-Seventh  
and Thirtieth American divisions  
which took Bellecourt and Neuroy,  
and gallantly sustained the desper-  
ate struggle for Bony, will rank  
with the highest achievements of  
the war."

"The names of Brancourt, Pre-  
mont, Busigny, Vaux-Andigny, St.  
Souplet and Wassigny will testify to  
the dash and energy of your attacks.  
I am proud to have had you in my  
command."

The Thirtieth Division mentioned  
by Field Marshal Haig was known as  
the "Old Hickory Division," com-  
posed of troops from Tennessee,  
North Carolina, South Carolina and  
District of Columbia, and which was  
trained at Greenville, S. C. The  
Twenty-Seventh and Thirtieth Di-  
visions probably were the first Amer-  
ican divisions to fight in Belgium,  
having crossed the border with the  
Fourth British army.

The Twenty-Seventh Division is  
composed of New York troops and  
was trained at Camp Wadsworth, S.  
C.

**WALLER REMAINS AT HEAD**

Of the City and County Health Af-  
fairs in Raleigh.

Raleigh, Nov. 26.—Capt. C. E.  
Waller, passed assistant surgeon of  
the United States Public Health Ser-  
vice will remain in charge of health  
work for Raleigh and Wake county  
until June 30, 1919, with full power  
to act.

Separate resolutions conferring  
this authority were passed by the  
county health board and the city  
health board yesterday after a joint  
executive session on both boards had  
passed a resolution favoring the ac-  
tive prosecution of the health survey  
now being conducted by the Public  
Health Service staff here.

After this joint resolution was  
passed—removing what seemed to be  
an irreconcilable friction between the  
mayor and Captain Waller—the res-  
ignation of Captain Waller, tendered  
to the city and county health boards  
separately, was withdrawn, and he  
will continue as assistant health of-  
ficer for Wake county and for the city  
of Raleigh.

## THE TRIAL OF THE HOHENZOLLERNS

The Extradition of the Former  
Emperor and Leaders of  
Military Group

WILL BE DEMANDED

London, Nov. 26.—It is under-  
stood that the question of the extra-  
dition of the former German Em-  
peror is being considered by British  
law officers of the Crown who are  
working in close co-operation with  
the French authorities. Action in  
the premises was taken immediately  
after the flight of the former Em-  
peror to Holland.

The Evening News says it under-  
stands the law officers have concluded  
that the allies are entitled to demand  
the extradition of the former Em-  
peror and that this decision applies  
also to individuals who have com-  
mitted or given instructions for the  
commission of extraditable crimes.

It is added that Holland takes the  
view that she has not the power to  
surrender such persons without the  
consent of Germany.

The French Premier, M. Clemen-  
ceau, recently requested of Charles  
Lyon-Caen, dean of the faculty of  
law of the University of Paris an  
opinion on the possibility of the ex-  
tradition of William Hohenzollern.  
M. Caen asked to be given time to  
prepare a decision.

One of the leading French authori-  
ties on international law Edouard  
Clunet, is reported to have advanced  
the opinion that it was impossible to  
demand the one-time Emperor's ex-  
tradition.

The former Emperor has been in-  
dicted three times for murder in  
England in connection with the sink-  
ing of the Lusitania, German aerial  
raids and the shelling by warships  
of unfortified east coast towns.

**Demand Sentence of Hohenzollerns**

Berlin, Monday, Nov. 25.—"We  
demand the immediate convening of  
a revolutionary tribunal for the pur-  
pose of passing sentence on the Ho-  
henzollerns father and son, and on  
von Bethmann-Hollweg," says the  
Red Flag, the organ of Dr. Karl Liebk-  
necht, in commenting on the disclo-  
sures made in Munich concerning  
the complicity of Germany in bring-  
ing about the war. "William II must  
be commanded to return and give an  
account before this tribunal."

The Spartacus organ also demands  
a reckoning with the Socialist lead-  
ers, Ebert, David, Molkenbuhr and  
others for participation in propaga-  
nda calculated to absolve Germany  
from responsibility for causing the  
war.

"We have been told that Germany  
had no knowledge of Austria's ulti-  
matum to Serbia. It was a lie," says  
the Vorwaerts. "Berlin was said to  
have admonished Vienna to go slow.  
It was a lie."

The organ of the Independent So-  
cialists, Die Freiheit, says:

"They committed high treason.  
We cannot lay hands on William and  
will yet be brought to justice. Their  
son, but it is to be hoped they  
fortunes however must be confiscated.  
Dr. von Bethmann-Hollweg  
(former Chancellor), von Jagow and  
Zimmermann, former German For-  
eign Secretaries who were their tools  
must forthwith be arrested and  
brought into court."

The conservative Taegliche  
Rundschau asserts that the disclo-  
sures not only are opportune in view  
of the negotiations "for a review of  
the armistice conditions," but pri-  
marily are intended to stimulate a  
revolutionary sentiment.  
Count Reventlow in the Tages  
Beitung says that neither Bethmann-  
Hollweg nor his associates desired a  
world war and that they were not  
prepared for it. The Count adds:  
"It is not to be denied, however,  
that their bungling was responsible  
for conflicts which ultimately in-  
volved Germany."

**WEATHER**

Washington, Nov. 27.—For North  
Carolina, Unsettled tonight and  
Thursday, probably rain; moderate  
northeast winds.

## EXPERIENCE OF N. C. MAN

On the German U-Boat Makes  
Interesting Reading. Men  
Abandoned

MANY MILES FROM LAND

Harwick, England, Nov. 27.—Lieut-  
enant Fulcher, one of the two cap-  
tured American officers brought  
here by the submarine cruiser  
Leutichland, the U-153, when she  
surrendered Sunday, gave a graphic  
account of his adventures since the  
sinking in mid-Atlantic on Sept. 24  
of the American cargo ship Ticon-  
deroga, on which he served.

"The first few shots from the U-  
boat," he said, "badly wounded the  
captain of the Ticonderoga, killed the  
gun crew, and set the ship afire. The  
decks were quickly littered with  
dead. British cruiser opened fire,  
whereupon the U-boat submerged.  
We managed to get the fire extin-  
guished and to lower the boats, but  
in the excitement and confusion  
most of the poor fellows aboard  
were drowned."

"The U-boat again attacked us,  
and we kept up fire until we real-  
ized that the ship was sinking and it  
was useless to continue. We then  
decided to surrender."

Although Lieutenant Fulcher was  
wounded and his thigh bone was ex-  
posed, he took a pillow slip and wash-  
ed it in place of a white flag. The  
U-boat came alongside and he was  
taken aboard with another of-  
ficer.

The commander of the submarine,  
holding a revolver in his hand, asked  
the Lieutenant where his chief  
gunner was.

"I told him all the gunners were  
killed," added Lieutenant Fulcher.  
"A member of the crew who knew  
German was on a raft at the time,  
but the commander ignored his plea  
for help. 'God will save him,' was  
all he said, and then left him to his  
fate."

"A doctor removed my blood-  
stained clothing and a drink of  
brandy was given me. After I re-  
covered a little I was closely inter-  
rogated. They asked questions  
about our convoy and about the Amer-  
icans generally. I was specially  
asked why we in the United States  
call the Germans Huns."

"On the twelfth day after the  
sinking of the Ticonderoga we met  
a Norwegian ship bound from New  
York for Australia. The Germans  
captured her and transferred all her  
provisions to the U-boat. At 10  
o'clock the next morning the ship  
was sunk. The Germans left the  
crew to their fate 1,000 miles from  
land."

"Two days afterwards we sighted  
an English sailing ship. English  
cruisers came up, however, and we  
submerged. Shells from the Eng-  
lish ships came so near us that we  
could feel the submarine tremble."

"Two days passed and an English  
ship was again encountered. This  
time one torpedo and eighty-three  
shots were fired at her, but she was  
not caught."

"On October 25 all the U-boats  
were called back, and in twenty-five  
days we were at Kiel. I was there  
put aboard the Prince Henry, and  
was told a little later that if I liked  
I could have passage to England on  
the U-boat which captured me. We  
went to Helligoland to make up the  
flotilla and I arrived at Harwick to-  
day. I am very glad to come through  
so many adventures safely."

**SLAUGHTER OF JEWS IN GALICIA**

New York, Nov. 26.—Reports of  
wholesale slaughter against Jews at  
Brzesko, Galicia, where cellars are  
reported filled with bodies and many  
Jews attempting flight have been  
shot down in the streets, were receiv-  
ed from Copenhagen today by the  
Zionist organization of America.

At Przemysl, the report added, the  
Polish legion looted all Jewish shops  
and homes, disarmed Jewish militia,  
invaded synagogues and sullied the  
sacred scrolls of the law.

Adolph Boehm, member of the  
Jewish national council at Vienna,  
wired the organization that Bohemia  
is "mercilessly deporting refu-  
gees of Galicia who sought refuge in  
that country."
